Underwriting Values That Shape Who We Are

Coaction is committed to providing a superior level of service to our clients through our collective insurance product expertise, disciplined approach to risk analysis, and in-depth understanding of the verticals we serve.

- We design our products and programs around our customers' specific needs
- We utilize the diverse talents of our people and work closely with our partners to develop comprehensive insurance offerings

Claims Governance That Is More Than a Process

Our goal is to provide an exceptional and transparent claims-handling experience to all our clients.

- We proactively focus on helping our customers mitigate claims by utilizing education, workplace safety, and advanced technology
- In-house claims team partners with the broker and the customer throughout the life of a claim
- We retain specialty litigation experts to provide better expertise and avoid unnecessary legal expenses that drive up costs
