### Capacity & Coverage, and Forms

- \$15 million in capacity for optimal risks
- Admitted and non-admitted paper
- Primary or follow-form excess
- Write excess or primary limits
- Write excess limits attached at all layers
- Willing to consider quota share layers on primary and excess

## Why Choose Coaction?

Our team of experts, backed by years of knowledge and expertise, take a solutions-based approach to solving the needs of our clients. It's that unique combination of talent and experience that distinguishes Coaction from the rest.

### Financial Strength

**\$3.2B**

Total Assets  
as of 12/31/2021

- ✓ Rated A- (Excellent) by A.M. Best, Financial Size Category X
- ✓ 25+ years of experience
- ✓ Expert claims handling and superior service provided by a dedicated claims team

*"We're committed to offering distinctive **risk solutions** specifically crafted to meet the complex and unique needs of our clients."*

— **Keith Lavigne**, SVP and Head of Executive Liability

## Underwriting Values That Shape Who We Are

Coaction is committed to providing a superior level of service to our clients through our collective insurance product expertise, disciplined approach to risk analysis, and in-depth understanding of the verticals we serve.

- We design our products and programs around our customers' specific needs
- We utilize the diverse talents of our people and work closely with our partners to develop comprehensive insurance offerings

## Claims Governance That Is More Than a Process

Our goal is to provide an exceptional and transparent claims-handling experience to all our clients.

- We proactively focus on helping our customers mitigate claims by utilizing education, workplace safety, and advanced technology
- In-house claims team partners with the broker and the customer throughout the life of a claim
- We retain specialty litigation experts to provide better expertise and avoid unnecessary legal expenses that drive up costs
