

Risk Management & Contract Review Services for Design Professionals

Powered by Coaction and Kelley Kronenberg

Through our partnership with Kelley Kronenberg, a leading U.S. law firm specializing in design professionals, Coaction offers clients 1 hour of customized support for contractual and professional liability risk management. Our goal is to help insured design professionals reduce risk while maintaining strong client relationships. For risk management needs, contact our partners at Kelley Kronenberg.

Risk Management Services Provided:

“Hot Line” Risk-Reduction Counseling:

Real-time phone and email support for insured professionals on practice management, contract terms, project issues, and potential risks.

Contract Review Services:

Streamlined contract reviews focused on practical risk reduction. We redline key provisions using industry-leading practices, targeting critical risk areas. Reviews are typically completed within one (1) hour of billable time with a 48-hour turnaround. Design-Build, GMP, or other complex agreements may require additional time.

Professional Guidance & Resources:

Guidance on model clauses, risk alerts, and best-practice recommendations tailored for design professionals.

Project-Specific Consultations:

Advisory services for high-risk or unusual projects, including joint ventures, international work, and public-private partnerships (P3s).
